Dear Sir

I have about one hundred and sixty dollars to my credit that I want to pay my taxes with and would like to get it in time to pay my taxes this week. You will much oblige me if you will see Mr Willford at Newton Ford & Co and get him to invest it in his State or as it is called Alcorn Money and bring it out with you if you will be at home by Saturday if not express it to W P Carruth and oblige your friend respectfully
Andrew Jackson
